

The Leader in Representing European Institutional Investors in Shareholder Litigation Around the Globe

KTMC is the world's foremost law firm representing institutional investors in class actions, direct actions, corporate governance and merger & acquisition litigation, antitrust actions, and other complex litigation around the globe. We are proud to have earned the continued trust of pension funds, asset managers, mutual fund managers, insurance companies, and hedge funds across Europe. In today's environment, investors are increasingly focused on shareholder litigation for furthering strong governance, accountability, stewardship goals, and seeking financial recovery. KTMC provides comprehensive and customizable solutions allowing our clients to utilize shareholder litigation in a way that best fits their needs.
