Kelleesa is a dedicated Human Resources professional with over five years of experience in recruitment and human capital management across various sectors. Throughout her career, Kelleesa has developed a skillset in talent acquisition and HR administration.

As the Legal Recruiting Specialist, Kelleesa manages the recruitment process, including overseeing applicant tracking systems, scheduling interviews, and identifying top-tier legal talent. Her understanding of both the legal landscape and the nuances of talent acquisition enables her to deliver efficient, high-quality recruitment services that align top professionals with KTMC.

Kelleesa holds a Bachelor of Science in Child & Adolescent Development with a Minor in Supervisory Management from the University of Technology, Jamaica, along with an Executive Certificate in Human Resource Management from the University of the Commonwealth Caribbean.
