

Gauzy Ltd. Class Action Lawsuit - GAUZ

Gauzy Ltd.
NASDAQ: GAUZ

The *Gauzy Ltd.* class action lawsuit was filed on behalf of those who purchased or otherwise acquired *Gauzy Ltd.* ("Gauzy") (NASDAQ: GAUZ) securities between MARCH 11, 2025 and November 13, 2025, inclusive (the "Class Period"). Captioned *Bao Duong v. Gauzy Ltd.*, No. 25-cv-10179 (S.D.N.Y.), the *Gauzy* class action lawsuit alleges that *Gauzy* and/or certain of its officers and/or directors violated federal securities laws by making false or misleading statements and/or omitted to disclose material information.

If you suffered losses as a result of your *Gauzy* investment and want to find out more about this action and your rights, fill out the form on this page or contact attorney Jonathan Naji, Esq. of KTMC by calling (484) 270-1453 or via e-mail at info@ktmc.com. Lead plaintiff motions must be filed with the court no later than February 6, 2026.

CASE BACKGROUND:

Gauzy develops, manufactures, and supplies vision and light control technology products internationally, with its French operations being a substantial portion of its revenue.

The complaint alleges that, throughout the Class Period, Defendants made materially false and/or misleading statements, as well as failed to disclose material facts about the company's business, operations, and prospects. Specifically, Defendants misrepresented and/or failed to disclose that: (1) three of *Gauzy's* French subsidiaries lacked the financial means to pay its debts as they were due; (2) the financial insufficiencies made it substantially likely that the company would face insolvency proceedings and the company could potentially trigger its existing senior secured debt facilities to go into default; and (3) as a result of the foregoing, Defendants' statements about the company's business, operations, and prospects were materially false and misleading and/or lacked a reasonable basis at all relevant times.

THE LEAD PLAINTIFF PROCESS:

The Private Securities Litigation Reform Act of 1995 permits any investor who purchased or acquired *Gauzy* securities during the Class Period to seek appointment as lead plaintiff in the *Gauzy* class action lawsuit. A lead plaintiff is a representative party that acts on behalf of other class members in directing the litigation. In order to be appointed lead plaintiff, the Court must determine that the class member's claim is typical of the claims of other class members, and that the class member will adequately represent the class. Your ability to share in any recovery is not, however, affected by the decision whether or not to serve as a lead plaintiff. Filling out the online form above or communicating with any counsel is not necessary to participate or share in any recovery achieved in this case. Any member of the purported class may move the court to serve as a lead plaintiff through counsel of his/her choice, or may choose to do nothing and remain an inactive class member.
